Niles Zoning Hits Snag; Survives for Another Meet

The proposed zoning of Niles survived something of a relapse, lay rather close to expiring, then gave signs of new life and survived at a meeting Wednesday evening at the Niles Elementary School.

Principal hazard in the way of making Niles a properly zoned, adequately planned community, sprang from a mass of misinformation and misinterpretation which had been spread among property owners along the state highway north of town.

Planning Consultant Roland Campbell, who serves the Alameda County Planning Commission as adviser on zoning, repeatedly found it necessary to contradict opinions resulting from misunderstandings.

In the neighborhood zoning meeting which was held last month for owners of property along the highway, it was suggested by the owners that all of the highway frontage be zoned for industry. The reason for this was that the industrial classification is relatively unrestrictive.

Campbell, however, stated that the property definitely was not industrial property and that he could not recommend to the county planning commission any zoning plan so designated.

An example of misconstrual of the ordinance was indicated in the case of the Elmer O'Connell property, fronting on the highway, on which the owner raises cattle and proposes to build a spur railroad track with shipping facilities. Campbell stated, in contradiction to a localite who had set himself up as an authority on zoning, that the O'Connell property should be zoned agricultural in order to protect this usage. The local authority had urged industrial zoning.

Campbell stated that he would make it a point to consult property owners along the highway to determine present and proposed uses of the property, in the hope that a proper zoning plan for the area might be worked out, to be presented at a subsequent meeting.

Several minor points in the zoning plan, which contributed to making the plan unacceptable under the broad county plan for zoning, were ironed out at Wednesday's meeting.

Remaining to be settled, also, is the matter of the proposed commercial area on the Mission San Jose Highway between Morrison Canyon Road and Morrison Avenue. Only property owner in this area at the meeting was A. J. Rezendes, who stated that he would talk over proposed changes with his neighbors.

Campbell suggested, as far as

CLASS OF SIX TO BECOME CITIZENS AT CEREMONY HERE

Special I Am An American Day ceremonies at Washington Union High School Tuesday evening will be climaxed by the impressive oath of allegiance taken by six Washington Township residents, who that evening will become United States citizens.

The program is to be presented under the auspices of the Washington Evening School, under which program the candidates for citizenship have studied, and will be open to the public. The ceremonies will be held in the school gymnasium beginning at 8 p.m.

REPRESENT 3 COMMUNITIES

The class of candidates includes: Henry Marin, Niles; Vincent D. Padernal, Irvington; Serapio Seno, Niles; Pio B. Mosquito, Newark; Mrs. Rebecca Guerrero, Newark; and Joseph Semas, Newark.

Norman Lima, Newark, will be the master of ceremonies and the presentation of certificates of citizenship to the new citizens will be made by J. V. Goold, district superintendent.

Judson Taylor, instructor in citizenship, will reliver the address to the new citizens and W. E. Gravestock, principal of the evening school, will give a short talk on the adult education program in the evening school here.

FOLK DANCING

The folk dancing groups of Mrs. Frances Mara will lend an international air to the program by presenting Swiss, Danish, Lithuanian, Mexican, Russian, Scottish, and American dancing. The dancing class of Mrs. Margaret Gemignani will perform the well known chamarita Portuguese dance.

At the conclusion of the program the participants and spectators will join in an evening of folk dancing.

CORPUS CHRISTI CHOIR TO SEE LIGHT OPERA

On May 20, members of Corpus Christi Choir, Niles, will journey to San Francisco to see "Naughty Marietta," light opera now playing at the Curran Theater. Those who will be in the group are as follows: Misses Loretta, Charlotte and Edna Lewis, Catherine Viveiros, Cora Perez, Mrs. Donald Lemas, Miss Dulinda Duarte, Dolores Rose, Mary Rosalia Silva, Amelia Silva, Caroline Vargas, Dianne Avakian, Shirley Butler, Mrs. Clarence Crane, organist, and Mrs. Edward Mara.

FREEWAY EXTENSION SOUGHT BY C. OF C. AT CENTERVILLE

The Centerville Chamber of Commerce, at a luncheon meeting held Wednesday at the California Inn, voted to assume an active role in a campaign urging the extension of the Eastshore Freeway as far south as Washington Township.

A motion was passed that Secretary Ralph Goodwin correspond with the California Division of Highways, Alameda County Supervisors, Oakland Chamber of Commerce, Assemblyman Francis Dunn and Senator Arthur Breed, urging their cooperation in the extension of the roadway to include this area.

The members also voted affiliation with the Associated Chambers of Commerce of the Eastbay Area.

Vice-President Dallas Paul, who presided in the absence of President Allan Walton, called on Manuel Lewis, chairman of the parking committee, who reported that he had received the fullest cooperation from the merchants in the parking of their cars, and those of their employees, in places other than the few spaces on Main street.

TRAINMAN CRUSHES FOOT IN IRVINGTON

Raymond G. Brown, 1935 103rd street, Oakland, a brakeman for the Southern Pacific Railroad, suffered a badly crushed foot about 3:30 p.m. Saturday near the Occidental Stove Plant in Irvington when he was caught between the couplings of two freight cars. He was taken to the Southern Pacific Hospital in San Francisco in the Dallas Paul ambulance from Centerville.

INFANT SUCCUMBS

Diane Gallegos, two-month-old daughter of Mr. and Mrs. John Gallegos, 9649 Thermal street, Oakland, former residents of Washington Township, died in an Oakland hospital on May 7. Funeral services were held from the parlors of the Berge Mortuary Company, Niles, Monday. Interment was at Holy Ghost Cemetery, Centerville.

IRVINGTON MAN KILLED IN TRUCK CRASH SUNDAY

Daylon Franklin Phillips, 30, Irvington, was found dead beside his wrecked pickup truck at the intersection of Mowry School and P. G. & E. Roads about 8:25 a.m. Sunday.

Investigating officers said that it was apparent from the wreckage that Phillips had been traveling south on the Mowry School Road and missed the turn where it dead-ends into the P. G. & E. Road, his truck crashing into a power pole and the impact hurling him from the wreckage.

Deputy County Coroner Tom Berge, Irvington, stated Tuesday that an autopsy revealed death "due to internal injuries." He added that it is believed that the man had been dead "several hours" before the body was discovered.

He was the son of Mr. and Mrs. Clarence Phillips, 510 Lincoln street, Irvington; brother of Mrs. Raymond Brandt and Edwin Phillips, Centerville, Kenneth Phillips and Mrs. Newton Hendrickson, both of Mountain View, and Dean Phillips, U. S. Army, stationed in Kentucky. He was a native of Nebraska and a veteran of World War II.

Funeral services were conducted by the Rev. Kirkbride, pastor of the Niles Congregational Church, at the parlors of the Berge Mortuary in Irvington, Thursday at 12:30 p.m. Interment was at Golden Gate National Cemetery, San Bruno.

SCOUTS PREPARE FOR CAMPOREE

Scout leaders throughout Southern Alameda county are this week planning for the District Camporee to be held at the Oakland Council's Wilderness Campsite the weekend of June 5-6.

Fred Duffie, Niles, Camporee chairman, has released final instructions for the yearly highlight of the district camping plans with William Bowman of Hayward and Herman Wood of Livermore to be responsible for Scoutcraft field events; Fred Keisel of Hayward to head the Campfire on Saturday evening; and Rev. William Clawson of Livermore to arrange for Protestant and Catholic service Sunday morning. Also serving on the general committee will be Phil Souza of Centerville.

All Scout troops will hold preliminary camporettes during May to qualify for the Camporee. The theme for this year's Camporee is "Camping is fun, learning by doing."

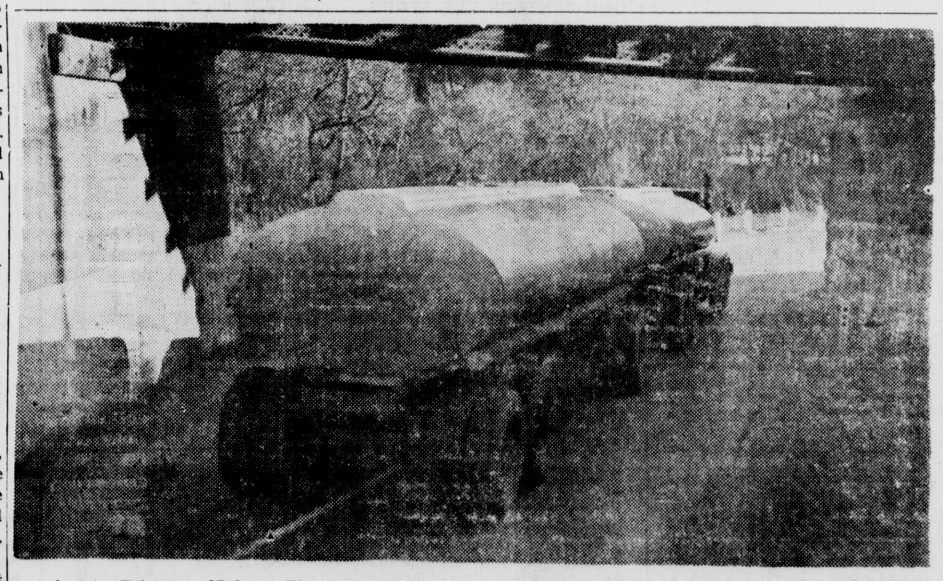
CRASH IN CANYON UNDERPASS SENDS FOUR TO HOSPITAL

A head-on crash about 6 p.m. Saturday in the railroad underpass two miles east of Niles on Niles Canyon road sent four persons, all the occupants of both machines, to the hospital with serious injuries.

The injured were: Josephine Souza, 28, 702 South Elmhurst avenue, Oakland, and her brother-in-law, Frank Souza, 31, 1615 82nd avenue, Oakland; and Ernest Awa, 201 Summit street, San Francisco, driver of the second machine, and his passenger, Dole Cushing, 44, 4050 Tribune avenue, Hayward.

The injured were taken to Fairmont Hospital in the Dallas Paul ambulance from Centerville. The cars struck head-on in the blind turn in the underpass and were completely demolished.

The scene of the crash has been the object of a campaign by local civic organizations, requesting that the division of highways alter the roadway to afford better vision and lessen the angle of the turn.

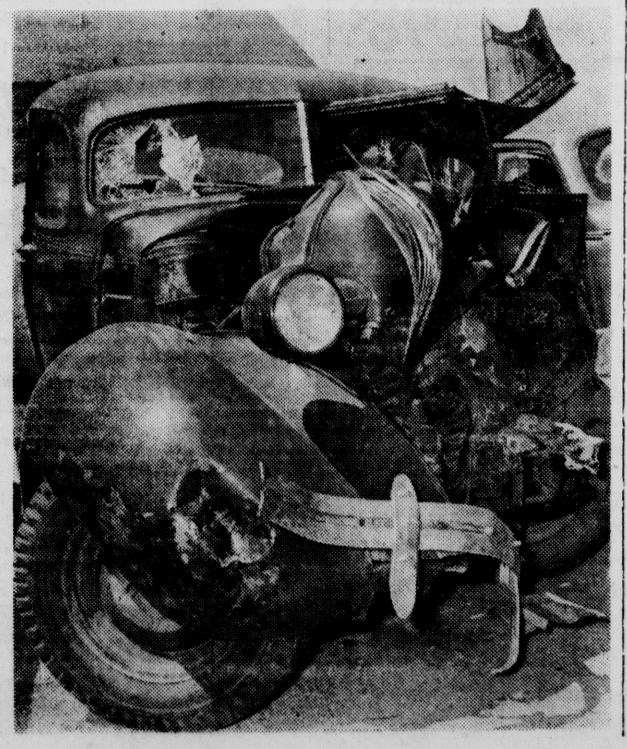


In our February 27 issue The Register carried the above picture with the caption, "It Can Happen Here—To You."

The picture was snapped by a Register photographer at the railroad underpass two miles east of Niles on the Niles Canyon Highway. A story accompanying the picture told of the danger of this particular site and advocated that the Division of Highways should "straighten this piece of highway and widen the underpass." A short time later The Register learned that plans for these improvements had been incorporated into the highway budget. No further action was taken.

To the right is a picture of one of the two cars involved in a head-on crash in the underpass last Saturday evening. Four persons were hospitalized with serious injuries as a result of the accident.

It HAS happened here—and it will CONTINUE to happen here until the roadway is improved!



ROAD IMPROVEMENT DRIVE OPENED BY IRVINGTON C. OF C.

Plans were launched at the luncheon meeting of the Irvington Chamber of Commerce Tuesday for an all-out campaign requesting the State Division of Highways to make major improvements on the Mission San Jose-Livermore highway over the Escobar Hill.

R. J. Wright, chairman of the Alameda County Planning Commission, introduced the motion and was made chairman of a committee to organize the campaign. Named to serve with him were Secretary Frank Mayer and Gus Robertson, school principal.

"I think we should find out just why the Los Angeles area gets all the state highway money and the northern part of the state gets nothing, or so little our road condition is ridiculous," Wright told the Chamber. "Hardly a day passes but what there is a wreck on that dangerous piece of hill road."

He outlined a plan whereby letters would be sent to all the civic organizations of Washington Township and Livermore, Sunol and Pleasanton, asking them to unite in the drive for a better and safer highway.

In the line of new business, O. N. Hirsch, realtor, announced to the group he planned to begin construction of ten to twenty new homes in his tract around November 1.

DECOTO WOMAN DIES

Mrs. Mermelinda Garcia, 59, 819 14th street, Decoto, died in an Oakland hospital Wednesday following a lingering illness.

She was a native of Mexico and had been a resident here for the past three years. She was the mother of Leandro Perez Garcia, Decoto.

Funeral services will be held from the late residence at 8:30 a.m. Saturday, thence to Corpus Christi Church, Niles, where a requiem mass will be said at 9 a.m. Interment will be at Holy Sepulchre Cemetery, Hayward, under the direction of the Berge Mortuary Company, Niles.

Huskies Take Top Spot In Baseball League; Will End SCVAL Season Wednesday

A seven-inning battle for the top position of the Santa Clara Valley Athletic League baseball standing was won yesterday by Coach Irv Hird's Washington Huskies on their home diamond over the Santa Clara Panthers, 3 to 2.

Yesterday's game, billed as the decisive affair in the league, brought together the two only undefeated nines, Washington with five wins and the Panthers with four. The Huskies have but one game left, journeying to Live Oak Wednesday for a seven-inning encounter with the third-place team in the league.

HUSKIES SCORE EARLY

The Huskies drew the first blood in yesterday's game, Fernandez scoring on singles by Machado and Salvador after being walked by Panther Pitcher Phil Hayes.

In the second inning Enciso singled to left, was sacrificed to second by Bramwell. Serbantes singled and Fernandez walked, filling the bases. Machado singled to score Enciso and the side was retired with the bases loaded.

The visitors got their first run in the fourth when Irv Alameda walked Acevedo and Miller. Nunes sacrificed the runners to second and third and Acevedo scored when Machado's throw to the plate, on a ground ball hit by Williams, was late. A double play, Machado-to-Serbantes-to-Bramwell, retired the side.

The Panthers tied the score at 2-all in the fifth inning when Murakami perched on second on an error and scored on a double by Ferguson.

Bramwell scored the winning run for the Huskies in the last half of the sixth when he got to first on an error, advanced to second on a bad throw, was advanced Serbantes, and crossed the plate on a single by Fernandez.

Irv Alameda, who pitched a stellar game for the locals, kept all visitors from reaching first in the final inning.

DOWN MT. VIEW

Monday afternoon on the home field the Huskies won an easy 8-2 victory over the Mountain View Eagles.

Gene Bramwell, relief hurler, went the full seven innings for the Huskies and turned in a stellar performance, allowing but five hits. Little Sammy Nakamura, brother of last year's Huskie pitching ace, Jiro Nakamura, started on the mount for the visitors, but could not stand the onslaught of the power batters of Coach Hird. Phil Enciso, Huskie catcher, had a great day at the plate, getting two for three, one of them a home run. Alameda got a triple and Fer-

NILES JR. CHAMBER TO MAKE SANITARY DISTRICT SURVEY

A survey of land owners to the east and south of Niles will be made in the near future to determine their feelings toward annexing to the Union Sanitary District or forming their own sanitary district.

The action was voted Tuesday evening at a meeting of the Niles Junior Chamber of Commerce and President Jerry Sletten appointed Jack Parry and Vernon Ellsworth to conduct the survey. The area included would be Canyon Heights, and land owners along Morrison Canyon Road, Walnut Way, Cherry Lane, Old Canyon Road, and Fremont avenue.

Frank Stewart was named chairman of a committee to make arrangements for the Snapshot Contest, which the Junior Chamber is to sponsor, and is now preparing a list of rules. The contest, open to all amateur photographers, is tentatively set to take place during June. Prizes will be awarded for the best pictures of Niles and its places of interest and beauty.

The group also voted to sponsor a donkey baseball game to be played under the lights at the high school field the night of September 20.

An endorsement of the Chamber of Commerce request for the extension of the Eastshore Freeway to Washington Township was voted by the members.

The next meeting of the Junior Chamber of Commerce will be held on May 25 and will be in the form of a barbecue at Solon Brothers on Main street.

IRVINGTON SCOUTS HONOR MOTHERS

Mothers of the members of the newly formed Irvington Girl Scout Troop were the guests of honor at a meeting held Tuesday evening at the elementary school.

The troop, which was formed on April 6, is headed by Mrs. Isabel Pearson, scout leader; Mrs. S. K. Leathers, assistant scout leader; and Mrs. Shirley Beach, Mrs. Gus Robertson, Mrs. Marjorie Tutor, Mrs. Al Peixoto, and Mrs. Ed Haynes. The organization now has 25 members and Betty Andreozzi has been named troop leader.

They expect to be gone for four months. Elsa is a student at Washington High, and her brother is enrolled at the Irvington elementary school.

At Felton

Entertaining the members of her "500 Club" at her mountain cabin at Felton last Wednesday was Mrs. E. H. Hirsch of Irvington. She is staying for the rest of the week with Mrs. Lena Roderick as her house guest.

NILES ZONING

(Continued from page 1)

this and other scattered areas which might at some future time develop commercially, are concerned, that they be zoned agricultural for the time being, and that their commercial rezoning wait until residential development indicated changes.

Approximately 75 persons attended the meeting, which was conducted by Chairman L. R. Batman of the Niles Chamber of Commerce zoning committee. Representing the county planning commission in addition to Campbell was Engineer John Thomas.

At the outset, Batman explained that the Chamber of Commerce and its zoning committee were making no effort to impose zoning on the community, but were simply acting as the machinery for making possible consideration and discussion. He stated that it is entirely up to the property owners of the community whether or not they want zoning.

When Campbell made the suggestion that perhaps Niles is not ready now for zoning but might choose to wait until a later time, it was proposed by Edward E. Enos and seconded by Arnold Bellini that Campbell and Thomas be requested to draw another zoning map to be considered at a later meeting.

The meeting ended much differently than it had begun—on a hopeful note; all except three voted for continuance of the zoning effort.

IRVINGTON SCHOOL NEWS

A skating party, open to all elementary school students of Washington Township, will be given by the local student body at Maple Hall Rink here the evening of May 20. Audrey Turnbow and Betty McMahon are in charge of arrangements and have announced that the hours of the party will be from 7 to 10 p.m. Refreshments will be served.

The eighth graders are busy practicing on their play, "Date with Judy," which they will present on June 4 at 8 p.m. in the school auditorium. The cast is being directed by James Howden, and as usual the play will be open to the public with no admission charge.

The third, fifth and sixth graders were the guests of the P.T.A. at a skating party at Maple Hall Rink Wednesday afternoon. The party was given them as a prize for winning the recent paper drive contest.

Pictures of all the classes from kindergarten through the eighth grade were taken Thursday at the school.

Almost 100 per cent of the students made the trip to Oakland last Friday to enjoy the Shrine Circus.

Do You Want a Hospital District?

On June 1, Washington Township voters will decide whether or not they wish to establish a hospital district in the township. In order that our readers may better understand the organization and operation of a hospital district, we herewith publish a list of questions and answers compiled by President Stuart L. Fletcher of the Washington Township Planning Association and Allan Walton, a member of the local hospital committee.—The Editor.

1. Basis of proposal?

California has enacted a law enabling the people of an area to form a public hospital district. After formation the people may, if they desire, provide funds by taxation for the erection of a hospital to be owned and controlled by and to serve the people of the district.

2. How is such district created?

A petition, signed by legal voters, is presented to the County Board of Supervisors who call and hold an election. Prior to election, the Supervisors may, upon protest, eliminate portions of the proposed area, and upon petition may add other area to that described in the petition.

3. What area is proposed to form the district?

Washington Township High School District.

4. How many signatures are required on petition?

At least 15% of the number of registered voters who voted for Governor at the last election. 3298 so voted, thus requiring about 495 names on petition.

5. If the district is formed, what are the next steps?

The supervisors appoint five directors residing in the district to serve without pay for limited terms, their successors to be elected by the voters of the district.

What about a Hospital District?

The directors so appointed or elected may propose to the people the erection of a hospital and offer a plan to provide funds therefor. Plan of building, site and location of hospital are matters to be decided by the directors, who may employ expert assistance.

6. If a district is created, will the people be compelled to build a hospital?

No. The people need proceed no further, unless they so desire and vote the necessary funds.

7. How would the cost of building, land and equipment be met?

Probably by long-term bonds, voted by the people, redeemable serially with low interest rate. The Federal and State Governments are expected to furnish two-thirds of the necessary funds. The directors would prepare and submit such plan to the voters.

8. How would hospital maintenance be met?

The hospital should be self-sustaining from fees fixed by the directors. The district would not take care of indigents. The County Hospital is maintained for that purpose.

9. Is a hospital needed? Size? Cost?

California is short of hospital beds, estimates varying from 20,000 to 40,000. We well know that the San Jose hospitals (our nearest) are badly over-crowded. The State Board of Health and Federal Health Service both agree that there should be at least 4 beds for each 1000 population (excluding patients in the specialist class and excluding cases which can be cared for in rest homes). As to cost, it is estimated that a 50-bed hospital, for example, would cost around $600,000, or about $12,500 per bed. Cost-per-bed is computed on the total cost of building and equipment. Size of hospital would be determined by a survey, and cost would depend upon size.

10. If the district is formed and if the people decide to proceed further, what taxable value would be available?

Best information indicates that the district would have, very conservatively, an assessed value of twenty-two million dollars. Present population is estimated at from 20,000 to 25,000. Both population and assessed value are increasing. The law provides that such hospital district cannot levy a tax exceeding 20c on the $100 of assessed value.

11. Can the district expect the aid of public moneys?

This committee merely cites the law. Congress has appropriated seventy-five million dollars per year to be distributed to the States and used by them in defraying one-third of the cost of public hospitals. California has appropriated another third. Application for such aid would be a matter for the Directors, if the district is formed and if building is proposed and approved by the voters.

12. Would residents of the district be favored over non-residents?

The law permits the directors to grant lower fees to residents, if they so desire. Presumably, inasmuch as the people own, control and manage their hospital, other preferences and advantages might be given.

13. Who would manage and control the hospital, if the district is formed and hospital erected?

The Directors, who would have the powers ordinarily vested in corporate directors. It is assumed that the directors appointed by the Supervisors for temporary duty and their successors thereafter elected would be men and/or women of the highest integrity, judgment and ability in whom the people would have utmost confidence.

Please note that the comment herein offered relative to cost of hospital, size, location, rates, maintenance, and methods of financing are matters for the Directors and voters of the District to determine subsequent to the formation of the district. Much of the comment is based upon statements made and figures furnished by Dr. Gilman and his staff of the State Health Department.

S. F. CHRONICLE PAYS TRIBUTE TO KATO

A two-page spread, with art work, in the last Sunday's "This World" section of the San Francisco Chronicle was read with more than passing interest by Washington Township residents.

The story was entitled "What Made Kato Fight" and is a graphic description of the heroic actions in World War II of a township Nisei boy whose body was the first of the Japanese American war dead to be brought home. PFC Joseph Hisato Kato, killed in action October 16, 1944, just northwest of Bruyeres, France, was buried with full military honors at Golden Gate National Cemetery two weeks ago.

"The record of Joe Kato's outfit," states the Chronicle, "the 442nd, demonstrates that the Nisei fought far above and beyond the call of duty. As a unit, the 442nd was cited for outstanding accomplishment by General Dwight D. Eisenhower. It received seven Distinguished Unit Citations, two Meritorious Service Plaques, and a Plaque from the grateful survivors of the 36th (Texas) Division's "Lost Battalion" whose members were rescued by the 442nd.

Further on the Chronicle goes on to tell about the Kato family of Warm Springs: "The story of Joe's family, the Katos of Warm Springs, Calif., is typical.

Taijyu Kato arrived in this country in 1903. Eventually, with his young wife Katsu, he settled in Warm Springs. U. S. naturalization laws do not permit Japanese to acquire citizenship. So, with a good number of fields closed to him as an alien, Joe Kato's father, like many Japanese, turned to the soil and became a farmer . . .

In 1920, the year Joe was born, a new law aimed at this mild subterfuge (forbidding Isei Japanese from owning farm land as "aliens ineligible for citizenship") was passed. Taijyo Kato could no longer legally help his children buy land or even give land to them. But the Katos plugged away and by the time Joe was ready for Warm Springs Elementary, Raijyo Kato, by virtue of his labor and fertility of the soil he leased or bought for Yas (a son), was becoming a man of affairs.

Joe Kato did well in elementary school. His principal, Leslie Maffey, recalls Joe out of the thousands of grimy little faces he lectured to in the 20 years he taught at Warm Springs. And well he might, for Joe Kato, with his puckish grin, was an outstanding student.

In high school, Kato learned that in 1924 the country which he firmly regarded as his own, had flatly announced that no more Orientals were welcome by passing the Exclusion Act.

Nevertheless, Joe Kato continued to do good work and Albert Rathbone, who was principal while Joe was in Washington Union High School at Centerville, remembers him out of the 100-odd Nisei students as a well-liked youngster who played football and basketball and made the Honor Society.

In speaking of his heroic action in Bruyeres on the morning of October 16, the Chronicle continues: ". . . any conclusions regarding the motives that spurred Joe Kato into battle must necessarily be conjecture. . . . Albert Rathbone, who watched Joe at Washington High, thinks he knows why Joe was willing to pay such a price. 'He felt the same way about the country that I feel. The kids he went to school with did that. They took a look at Joe and they said, "Joe's a good guy." In the cafeteria he ate with his friends and he had just as many white friends as he did Orientals'."

Joe's brother, Hank, has a suggestion. "Joe was always patriotic. It was kind of a hobby with him."

For those who want to read the whole touching story of Joe Kato and his Warm Springs family, we suggest that they get a copy of the Chronicle for May 9. Any effort expended in locating it will be well rewarded.

MISSION SAN JOSE SCENE OF HOLY GHOST FESTIVAL

By LOIS BOTTENBERG

Pentecost Sunday is arriving and along with it comes the annual Holy Ghost celebration to be observed at Mission San Jose on May 16.

This celebration marks the 59th anniversary of the I.D.E.S. Lodge. Mission San Jose was the birthplace of the first Holy Ghost celebration in this part of the state, but in recent years they have been held by nearly all the towns around here

QUEEN NAMED

There will be a two-day fiesta this year beginning with the crowning of Queen Blanche Lawrence, who has as her attendants Miss Loretta Santos and Miss Lorraine Brown. This takes place on Saturday evening, following a parade to the lodge grounds, followed by fireworks at the Mission Grammar School and later dancing in modern at the pavilion and the Chamarita in the I.D.E.S. Hall.

There will be refreshments and concessions for all to enjoy and spend the time meeting old friends who only come to the Mission once a year for the affair.

MANY COUNCILS EXPECTED

Officers and officials of the lodge are: Joseph Perreira, president; Joseph P. Garcia, vice-president; Joaquin Perry, second vice-president; Joseph F. Azevada, treasurer; and Joseph Abreu, secretary. They estimate that 2500 or 3000 people will partake of the free barbecue at the hall at noon on Sunday following the morning processional to St. Joseph's Church for high mass, presided over by Reverend John Leal. Many visiting councils will be present and marching units and queens from other towns will make up the parade. The Mission has taken on a festive appearance with the placing of the flags of Portugal and the U.S.A. flying from their various points throughout the town.

AT RAM SALE

Mr. and Mrs. Michael Overacker Jr. of Mission San Jose spent two days in Sacramento this week attending the California Wool Growers' Association's ram sale. They found it a highly successful trip, having come home the owners of five new rams.

SOFTBALL SEASON OPENS MAY 24; 12 TEAMS ENTERED

The 1948 season of the Washington Township Softball Association will be officially opened at the Centerville diamond the evening of May 24, it was announced this week by Al Silveira, president.

Silveira said appropriate ceremonies marking the opening of the season will begin at 7:30 p.m. and will be followed by a double-header with Mission Firemen, last year's champions, pitted against Central Chevrolet in the American League, and Wedgewood against Pacific States Steel in the National League.

For the first time in the history of the softball association here, there will be 12 teams in competition. The six top teams of last year's standings will compete for the pennant in the American League and the lower bracket teams and new clubs will compete in the National League. It has not been announced as yet what type of play-off will be used at the close of this season's schedule, but Silveira said it was likely that the top team or teams of the National might be given an opportunity to compete with the cellar team or teams of the American League with an eye to climbing into the upper bracket competition.

Silveira warned team managers that their player contracts must be in his hands one week before the league openings, with each club allowed a roster of 15 men.

He also released the season's schedule which may be found elsewhere on this page.

IRWINS WILL OPEN MARKET SATURDAY

A new, modern food market and freezer locker plant will be formally opened at Irvington Saturday by Mr. and Mrs. Lew Irwin.

The 42 by 56-foot building housing the supermarket was recently completed at the corner of San Jose avenue and First street and includes 320 rental lockers.

Irwin who, with his wife Betty, has owned and operated the Irwin Cafe adjacent to the new building for the past five years, said yesterday that the market would include a full grocery market, meat market and feature a frozen food department and a fresh vegetable and fruit department.

The new store, to be known as Irwin's Market, will be open seven days a week, from 7 a.m. to 8 p.m. week days and from 9 a.m. to 6 p.m. Sundays.

FLYING

FIRST WOMAN FLIER

First woman flier to win her wings in Washington Township is Mrs. Ruth Higuera, formerly of Newark.

Mrs. Higuera, who is the only woman pilot using the Center Field, trained for her private pilot's license under Ed Rodrigues of Morrison Avenue, Niles.

Another air-minded young lady is Mrs. Higuera's little daughter, Patsy, who flew with her mother to Red Bluff last Sunday to see an air show.

FLY TO AIR SHOW

Also flying to Red Bluff last Sunday to see the Western States Air Show were Everett Mendenhall, Dr. and Mrs. T. C. Wilson, Mr. and Mrs. Walter Stammett.

FLYING TO RENO

Next week-end will find several local fliers in Reno for breakfast at the new Mapes Hotel, courtesy United Air Lines. Planning to go are: Jack McGuiness and party of three, Dr. and Mrs. T. C. Wilson, Mr. and Mrs. Walter Stammett, and Don Hubbard with a party of three.

IN ALASKA

Everett Mendenhall left Monday for Alaska, as flight engineer for Transocean Airlines. Mendenhall will fly a schedule from Oakland to Alaska.

HUSKIES IN LEAD

nandez came through for a double for the locals. Alameda held down the first base spot of Marv Peixoto, who is benched with a broken arm.

NILES SPORTSMEN TO PICK TEAM FOR LIVERMORE SHOOT

An elimination contest to determine the five-man team that will represent the Niles Sportsmen's Club at the Annual Livermore-Pleasanton Rod and Gun Club Barbecue and Trap Shoot at Livermore on Sunday, May 23, will be held at the local club's trap field on Mission-Niles highway Sunday.

The marksmen turning in the best scores here Sunday will be pitted against the Livermore team the following Sunday. Entry fee for each member wishing to try out for the team will be 50 cents plus the cost of shells and clay pigeons.

Already entered for the elimination contest Sunday are: Joe Pine, Ken Ferry, Lawrence Bunting Jr., Earl Teeter, Johnny Turner, Karl Kaiser, Richie Davis, Red Musgrove, Bill Tyson, Johnny Scott, Chick Rose, Harry Davis, Jack Ferdinand, Johnny McGown, Douglas Mayock, Bill Estudillo, and Ernie Frick.

The local team will make the trip "over the hill" on May 23 and the shoot and barbecue will be held at the Naval Air Station beginning at 9 a.m. In keeping with tradition, filet beef steaks with all the trimmings will be served. Tickets may be purchased from club members or at the gate. Free entertainment will be provided throughout the entire day.

SILVEIRA WINS N.S.G.W. PINOCHLE TOURNAMENT

Al Silveira, Warm Springs, has been crowned pinochle champion of the Centerville Native Sons. Silveira ended the play with 11,020 points with Phil Brazil a close second with 10,720 and Vernon Rose in third place with 10,550.

In the team division Ted Logan and Phil Brazil emerged the victors with 19,890, followed by George Rodrigues and Vernon Rose with 19,270, and Ernie Machado and Tom Silva with 16,940. To Phil Brazil went the distinction of piling up the greatest number of points in one evening's play with a total of 3,510.

The United States Department of Commerce was first organized in 1903 as the Department of Commerce and Labor.

IRVINGTON CLUB DEFEATED 10 TO 8

The Irvington baseball club was outhit and outscored last Sunday by the Calistoga nine, going down to a 10-8 defeat.

Manager Frank Mayer's club staged a rally in the eighth inning when First Baseman Roderick rapped out a three-run homer, but the five-run rally fell short of closing up the margin held by the home team. Roderick also took a turn at pitching and checked a Calistoga rally.

Saturday the Irvington club will journey to Talmadge for an afternoon game and will remain overnight for a Sunday encounter. The Saturday game was originally scheduled for play under the lights but has been shifted to the daylight hours.

DECOTO SCHOOL SEEKS OFFICER

Request for a county traffic officer to guard students at the Decoto Grammar School is under consideration by the board of supervisors this week on motion of Supervisor Chester E. Stanley.

The request was made by L. W. Musick, district superintendent of schools, who pointed out in his letter to Stanley there are now 600 students enrolled in the school, and with three school gates to watch it is not desirable to take junior traffic patrol pupils away from classes to handle the situation.

ADDITIONAL WATER SUPPLY FOR DECOTO

E. F. Glassbrook, local representative of the Public Utilities California Corporation, revealed this week that a lot has been purchased at 14th and I streets, Decoto, and a well will be sunk there next month to supplement the water supply to the community.

He stated that the contract for drilling the well has been awarded the Silva Brothers and the well's capacity is expected to be 1,000 gallons per minute.

The installation will include about 1,600 feet of new 6-inch main which will lead directly to the Marlo Company's cannery, supplying that establishment and releasing to other customers the water now used by the cannery.

BECK NAMED ON MASONIC COMMITTEE

William Beck, Master of Alameda Lodge of Masons, Centerville, has been appointed a member of the reception committee to assist in arrangements for the dinner meeting of the East Bay Masters and Wardens Association at Hayward Trinity Church, Monday, May 17. The group will be addressed by Arthur S. Crites, Past Grand Master of Masons in California, who will speak on the "George Washington Masonic National Memorial."

MAY FELLOWSHIP DAY TO BE OBSERVED IN NEWARK

An interesting program, being planned by the Women's Missionary Society of the Newark Presbyterian Church, will be held at the church Sunday evening at 7:30 in observance of May Fellowship Day.

The Junior Choir will present special music and several young people will take part.

The public is invited to attend this unusual program.

STUDENTS CONDUCT EXPERIMENTS FOR FARMERS OF AREA

The agriculture students of Washington Union High School, and their instructor, Jed Oxborrow, are now conducting a series of experiments which should prove valuable to the farmers of this area in future years.

One of the experiments consists of 21 plots of grass and clover varieties which have been planted and cared for by the students, for the purpose of determining the types best suited for pastures for this climate and soil. The plots not only help the students in identifying the various types of grasses and clovers but reveal which are the most hardy and require the least amount of rainfall.

Adjacent to the grass plots is a small plot of ground where the students are conducting experiments in growing grain. It is comprised of four varieties of barley, four varieties of oats and five varieties of wheat. "This is the second year that we have conducted this particular experiment and after five years we should have some valuable information for grain growers in this vicinity," Oxborrow said.

The grain, all waist high and fully headed, is being grown without any irrigation or fertilizer in an endeavor to determine how rapidly it will exhaust the soil. "It also gives us an opportunity to discover what varieties have the greatest resistance to diseases and pests," Oxborrow concluded.

GIRL SCOUTING

Two weeks of mountain camping are being eagerly anticipated by Hayward Area Girl Scouts who are making their reservations this month at the Girl Scout office in the Hayward City Hall. The girls will camp at Camp El-O-Win at Dinkey Creek in the Sierra Nevadas above Fresno. Only 30 girls can be accommodated at each session, the first from June 26 to July 10, the second July 10 to July 24, the third July 24 to August 7. Mrs. Zella Davis, Hayward area executive secretary, is camp director.

WASHINGTON GRADS TO DANCE MAY 22

Saturday, May 22, has been selected as the date for the Washington Alumni Dance, it was announced this week by Mrs. Evelyn Rose, secretary of the organization.

The formerly annual social event for the graduates of Washington Union High School is being renewed for the first time since it was discontinued because of the war, she added.

Dancing to the music of Cliff Fields and his band will begin at 9 p.m. and continue until 1 a.m. in the school gymnasium. Members of the Board of Trustees, faculty and Senior Class will be special guests. Mrs. Rose said this week that her mailing list of graduates is incomplete and many of the addresses incorrect and urged graduates of all classes to attend whether or not they receive personal cards.

LAURA LOMA TO GIVE CARD PARTY

Thirty members of Laura Loma Parlor, N.D.G.W., were present at the last meeting to enjoy a social, planned in honor of the candidates initiated April 23 at Hayward.

President Irene Bales headed the following committee of arrangements: decorations, Mrs. Fleecie Gomes; refreshments, Mrs. Richard Davis, Mae Rose, Patricia Rose; program, Mrs. Anthony Fields.

Officers for the coming year were nominated with election of officers to be held at the next meeting, June 10, Thursday, at Boliba Hall, Niles. Mrs. Mary Bernard, treasurer, was elected to attend the coming convention to be held in Sacramento as delegate.

On June 10, in the afternoon, a card party will be held for the benefit of the parlor's projects and a committee will be headed by Mrs. Dorothea Rose, assisted by Mrs. A. M. Alves, Mrs. Ruel Brown and Mrs. Norman Rose.

NEW BARN CAUSES 3-HOUR SEARCH

A three-hour aerial and ground search in the hills near Mission ended shortly after 3 p.m. Friday when an object, tentatively identified as the wreckage of an airplane, was discovered to be a new barn under construction.

The object was first sighted high in the hills by workers at the Mission Hereford Ranch. It was an estimated six miles from the ranch and when viewed through field glasses the outline closely resembled portions of a plane. The Alameda County Sheriff's office dispatched radio cars to the area and Navy Helldiver planes began an aerial search.

About 2:30 p.m., Norman Rose, local rancher, volunteered to guide a posse to the remote spot. Shortly after 3 p.m. the posse reached the object and radioed back the word that it was not a wreck, but a barn under construction on the ranch of Lawrence Abbott.

The location was three miles north of Calaveras Reservoir and about the same distance from the site of the plane crash that claimed the lives of four Visalians last month.

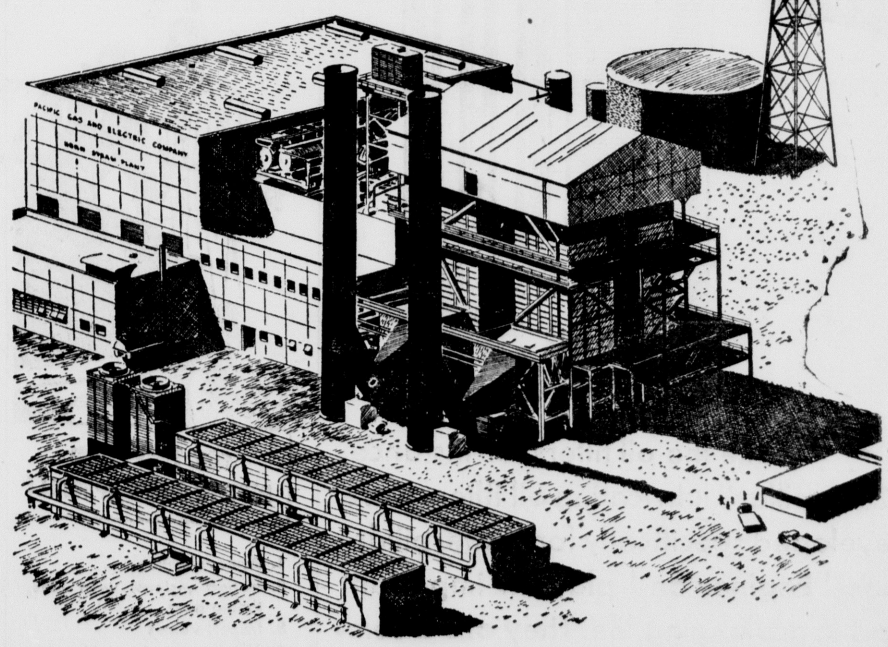
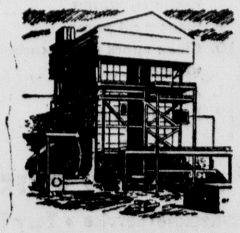
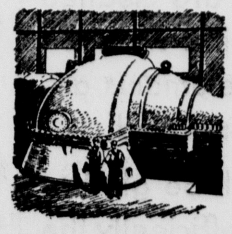
New Kern plant adds 101,000 horsepower to P.G. and E. lines



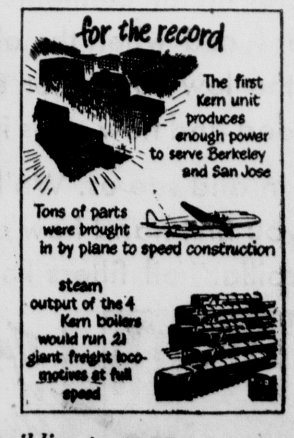
Last week, the first giant generator of P. G. and E's new Kern Steam Plant near Bakersfield, began turning out 101,000 electrical horsepower for Northern and Central California. Another and still larger generator will be completed later. This is the 70th major power plant in P. G. and E's system... already one of the nation's largest... and the first major unit in a $400,000,000 postwar program to add nearly two million horsepower in generating capacity. Other plants are on the way, some nearing completion. Construction is going full speed ahead all along the line.



Four towering boilers, a full eight stories high, produce superheated steam that makes generators whirl. 40 freight cars of material went into each boiler. They burn either gas or oil to make steam at 935°F. — four times as hot as that from your teakettle. It's sent to the turbines under tremendous pressure.



A mighty package of power... this generator is the heart of Kern. It was ordered originally in 1941, re-ordered after V-J Day and received only this year. Beneath its hood, the precision-made generating unit turns at 1800 revolutions per minute, pouring out new electrical energy for homes, farms and factories.



for the record
The first Kern unit produces enough power to serve Berkeley and San Jose
Tons of parts were brought in by plane to speed construction
steam output of the 4 Kern boilers would run 21 giant freight locomotives at full speed

Work never stops on our power-building program

SPECIAL SERVICE

Mother's Day was observed in a very lovely manner at the Irvington Community Church where Rev. Berkovich played a very beautiful number on the piano, the primary and intermediate classes put on the program under the direction of Mrs. Mildred Foster, and all mothers and visiting mothers were given corsages of snapdragons and violets. The Reverend Berkovich gave an inspiring message from the pulpit and, following the message, all members of the congregation stayed for a short business meeting to decide a very important issue.

VISITS

Miss Laura Azevada, who makes her home here with Mr. and Mrs. Manuel Andrade, spent several days last week visiting Mrs. August Davilla of Centerville.

NEW ARRIVAL

Just in time to make the deadline was the arrival of little Linda Lee Phillips, 7-pound 13-ounce daughter of Mr. and Mrs. Manuel Phillips, on May 12. She has two brothers, Gary and Stanley, and a sister, Sharon, to welcome her home soon.

CELEBRATES BIRTHDAY

With two lovely birthday cakes decorating the center of the table at the home of Mr. and Mrs. Bill Andrade, Mrs. Beverly Soito Medeiros was indeed a surprised young lady when a houseful of guests arrived to help her celebrate her 20th birthday on May 6. One cake was from her husband, Herman, which said "Happy Birthday, Beverly" and the other was from her mother, Mrs. Elsie Soito of Irvington. Herman gave the party. The evening was spent in playing cards, for which prizes were given for highest scores. Her guests for the evening enjoyed birthday cake, coffee and ice cream following the opening of many lovely gifts. They were as follows: Mr. and Mrs. Bill Garcia and Bunny, Mr. and Mrs. Tom Estudillo and Laurali, Mr. and Mrs. William Garcia, all of Niles; Mr. and Mrs. Bill Souza and son, Billie, of Sunnyvale; Mr. and Mrs. Larry Medeiros, Mr. and Mrs. Manuel Andrade, Miss Laura Azevada, Mr. Joe Medeiros, the guest of honor, Beverly, and her husband, Herman, host of the evening.

RETURNS HERE

Reverend Lawrence of St. Mary's of the Palms is home again after a few days spent in Stockton. He sustained a rather serious bruise on his elbow from a fall but is getting along fine at this writing, in fact he was in town yesterday with his trick dog, Fluff.

COMPLETE POLE

The Mission Men's Social Club, with the help of a number of others from town, have gotten their flag pole, which rises 35 feet in the air, installed. It is directly back of the monument erected for our three war dead and in the very near future there will be Flag raising ceremonies. The date will be announced in the next edition.

SPECIAL COMMUNION

The Rosarians, accompanied by the Mission Men's Social Club, partook of Holy Communion as a group on Sunday morning at St. Joseph's Church. By the way, we thought all were bachelors and had no lady attachments. But now there are some married ones and may be more sometime in the future.

NEW ADDITION

Mr. and Mrs. Willie Morrow, comparatively new members of the Mission, greeted another addition to their happy family on May 2 when little Miss Pamela Renee came to make her home with them. The tiny lady weighed 8 pounds 10½ ounces. Did I say tiny?

ANNIVERSARY

Mr. and Mrs. Mathew Silva of Ellsworth street celebrated their twenty-fifth wedding anniversary on Sunday with a family dinner at their home.

PLAN DANCE

The Mission Youth Center held their monthly business meeting on May 6 at the I.D.E.S. Hall and, following the reading of the minutes, discussion took place as to the plans for the next social meeting on May 20. It was unanimous that a swimming party and weiner roast are in the offing for the very near future at Linda Vista Park, but for this meeting it was not possible to arrange it, so it will take place a little later in the summer. For this social meeting they have planned a Sadie Hawkins dance with each member inviting a friend. Refreshments will be served and there will be four chaperones. Mr. and Mrs. Glenn Bottenberg have been asked to act as temporary advisors.

TO SANTA CRUZ

Miss Evelyn Meyers, Miss Virginia Lawrence, and her fiance, Bob Oliveria, all accompanied Ernest Smith to Santa Cruz Saturday evening where they enjoyed dancing and fun on the board walk. They had dinner in one of the cafes in Santa Cruz.

VISITS HERE

Mrs. Marie Lawrence Cunha is spending a few days here at the home of her parents, Mr. and Mrs. William Lawrence, and sisters, Virginia and Mrs. George Rodrigues.

TWO CENTERVILLE TEACHERS RESIGN

The Board of Trustees of Centerville Elementary School, Manuel Oliveira, Ernest J. Sabina and Judge Allen G. Norris, announced this week that two members of their teaching staff have resigned to accept positions in city schools.

Miss Enza Baglione, second grade teacher for the past four years, has accepted a position in Sacramento and Miss Rosalie San Filippo, fifth grade teacher for the past three years, has signed a contract to teach in the city schools of San Jose.

Miss Norma Biale, a graduate of Washington Union High School and San Jose State College, has been appointed to fill the fifth grade vacancy and applications for the second grade position are being reviewed and appointment will be made in the near future, according to Principal Tom Maloney.

The Jewish Colonization Association has acquired 463,000 acres of agricultural lands in Argentina, with about 200,000 acres under cultivation.

MOTHERS FETED

A Mother's Day tea was held at the grammar school last Friday afternoon with the eighth grade girls as hostesses. Card tables were set up in the auditorium, each with a lovely bouquet of roses. Entertainment included group singing with Phyllis Osborn, Marlene Andrade, Pat Collins, Rosemary Gunn, Jo Ann Lewis, Wilma Jean Rogers, accompanied by Barbara Johnson.

Piano solos were played by Pat Collins and Rosemary Gunn. Refreshments of coffee, tea, and cookies were served.

FOOD SALE

Newarkites, to make your Sunday dinner much easier to prepare, attend the food sale to be held this Saturday beginning at 11 a.m. at the old Ruschin home, Thornton avenue, sponsored by the Newark Improvement Club. Mrs. Ann Gunn is in charge of arrangements.

VISITS SISTER

Mrs. Olive Glover arrived on the Overland Limited Thursday evening from Washington, D. C., to spend a month visiting here with her sister and brother-in-law, Mr. and Mrs. Arthur Silva, Mulberry street. The two sisters have not seen one another for nine years, and there will be much to talk over and many things to see. The month will pass swiftly so "you two" enjoy each and every minute together.

ENJOY WEEK-END

Mr. and Mrs Jake Springer, accompanied by Mr. and Mrs. Adolph Aroz of Oakland, motored to Sacramento on Saturday and while there visited Sutter's Fort. On Sunday the foursome, with the Springer children, LeRoy and Janet, and Carol and Dolores Aroz, celebrated Mother's Day by attending the Shrine Circus at the Oakland auditorium.

CHANGE NAME

A notice in the change of a local firm name is Westvaco Chemical Company from Westvaco Chlorine, Ltd.

SEE "OKLAHOMA!"

Enjoying the stage play, "Oklahoma!" at the San Jose auditorium on Saturday evening were Mr. and Mrs. But Kettman, Miss Eleanor Freitas and Sal Millan.

BIRTHDAY PARTY

Although little Patsy Cole is now seven years old, she experienced the wonderful thrill of having her first birthday party on Saturday afternoon, May 8. Sharing in the happy occasion with Patsy were her little playmates: Terry Souza, Tony Avila, LaVonne Lemas, Carol Ann Bernardo, Dick and Sharon Cole, Antonette Medeiros, Dolly Dutra, Susan Gisel, Marilyn Olk, Jimmy Robertson, Patsy Dean and Darla Jamison. The afternoon was spent playing games and when refreshments time came around cake and ice cream were served. Patsy, who is the daughter of Mr. and Mrs. Feron Cole, Walnut street, received many lovely gifts.

SPONSOR DINNER

A Mariners Dinner will be held on Tuesday evening, May 18, at the Presbyterian Church by reservation only. Dinner will be served from 5:30 to 7 p.m. Proceeds from the dinner will be used for improvements at the church. For reservations, which should be in no later than Monday, May 17, phone Mrs. R. A. Alberts, Newark 3706 or Mrs. Carl Soults, Newark 2031.

SOMETHING NEW

It's a honey—that new maroon Buick convertible cruising around Our Town. Leonard Laudenslager is the proud owner.

FETED WITH SHOWER

Mrs. Jimmie Galladay was the honored guest at a surprise stork shower give by Mrs. George Marshall at her home on Magnolia street Friday evening. Guests for the evening were Mrs. Shirley Rice, Miss Betty Cotter, Mrs. Bill Santana and Mrs. Joy Mellow. Mrs. Robert Brooks and Mrs. Manuel Vargas were unable to attend. Refreshments were served and many lovely "little things" were received by Mrs. Galladay for the coming blessed event.

TREE REMOVED

A near tragedy was averted Tuesday by the quick movements of a workman while removing the large Christmas tree located in the center of Newark. During the past few weeks the townspeople have been watching the process of removing the tree for transplanting elsewhere. Tuesday the actual lifting of the tree took place and a heavy chain was placed around the flag pole for support. However, the flag pole snapped and fell, narrowly missing a worker. It was a tense moment for the onlookers but the task was successfully completed, and the tree, which seemed just a little more lovely of late, knowing that it was soon to be removed, has gone to find a new home.

OPEN SEASON

Getting in on the opening of the trout season were John Rice and George Marshall of Newark, and William Santana and Bill Morris of Irvington. The party spent the week-end at Tuolumne River, in Yuba county. They arrived home as they had left—no fish.

ENJOY PICNIC

Mrs. John Freitas decided she would like to spend her day—Mother's Day—on a picnic, so the family was off to Joyland Park, Niles Canyon, on Sunday. The family, which at one time amounted to six children, now totals seventeen in all. The large round table chosen at the grounds seated Mr. and Mrs. J. Freitas, Mr. and Mrs. Ed Kettman Sr., Mr. and Mrs. Tony Freitas and son Ernie, Oakland, Mr. and Mrs. C. McNieve and Deborah, Mr. and Mrs. Herb Lacey and David, Mr. and Mrs. Johnny Freitas and son Jeffery, Mr. and Mrs. David Freitas and son David, Mr. and Mrs. Bud Kettman, Jack and Jill, Miss Elly Freitas and Sal Millan. A delicious picnic lunch was served.

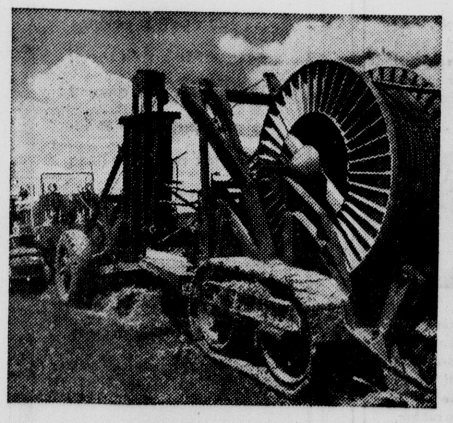
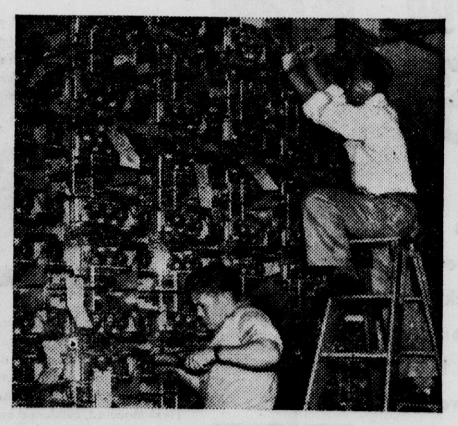
"WORLD'S LONGEST SPEAKING TUBE"

now pipes calls East

1. Imagine packing 500 voices together in a tube no bigger than a pencil and sorting them out distinctly at the end! That's what we're doing with coaxial cable. Radio-type waves whisk calls through pipes...instead of on wires...allowing one "co-ax" to to do the work of a number of the more usual kinds of long distance cable.



2. We plant "co-ax" with giant plows that lay the cable in one operation. Every eight miles a "booster station" keeps calls going through clearly. For—incredible as it seems—high frequency waves fade so rapidly in the cable that all the sun's energy, if it could be funneled into the pipes, would not carry half-way across the country.



3. "End of the line"...it takes huge panels of complex equipment like this to sort out the calls carried by just one cable. Since December, calls have been going back and forth from the Coast to the East over 2300 miles of "co-ax." And we're adding still more cables to augment long distance service for the growing telephone population on the Coast.

Millions of new working dollars, needed to extend and improve service, must come—not from telephone bills—but from thousands of people who put their savings to work in the telephone business. To attract these working dollars, we must pay a reasonable amount for their use. We can do this only if we sell our services at fair and adequate prices.

HELP THE BEST MAN WIN

Who is your favorite candidate for school trustee?

To our knowledge, it is an unprecedented election coming up next Friday, May 21. There are four contestants for elementary school trusteeships in the township's nine districts. Voters in the Niles, Mission San Jose, Decoto and Alviso districts will have choices to make.

Why is there competition for these offices now, while in the past the finding of one willing candidate has often been a problem?

Washington Township is growing. That is the answer.

Our schools are growing. Growth develops problems. As classrooms multiply, so do problems multiply. Problems grow into issues. And where there are issues you will find candidates.

So—we have two candidates for each of the trusteeships in four school districts.

Who is your favorite candidate for school trustee, and, more important, WHY is he your favorite candidate? Let's hope it's for reasons more logical than "Oh, he's a good guy," or "Gosh, he's a friend of mine."

He may be a "good guy," or friend of yours, but—is he a "good guy" for the trusteeship of a school, and is he friendly to children?

By friendly we don't mean in the same sense that a dog wags his tail when he sees a child, but will he put prejudices, personal opinions, and political affiliations aside for the welfare of children?

Is he of the old school that believes that "Pappy did it that way, so it's good enough for me"—or is he progressive?

Does he believe in changes—changes for the better of course—or does he think that every change is bad?

If he is of the old school of thought—where progress is to be frowned upon as an intrusion—then you don't want him for a school trustee. He may be a "good guy," but a school needs something more than that. A school trustee must be young in thought, ever on the alert for better education. Is your candidate living in the past, or is he looking forward to bright new futures for the field of education?

A good or poor school can make or break a community. Population increases more rapidly when the schools in a community have the reputation of being good schools.

If you want good schools, think of these things before you vote.

FARM LAND

Although the average value of California farm land declined last year, the average for the nation as a whole has reached the all time peak established in 1920.

The question is: Will the pattern of 28 years ago be repeated in the form of a sudden collapse in farm land prices? This doesn't seem likely. In 1920 the sharp drop in the foreign purchase of American food brought the slump in land values. For the next several years the foreign demand for our farm products should remain high. The European Recovery program virtually guarantees that.

As to land values themselves, the national increase last year was 6.8 per cent and the level is now more than twice as high as the 1935-39 average. Heaviest increases have occurred in the wheat and range-livestock regions.

One of the dangers about a long upward surge in farm land prices is that farmers may be led to believe that the climb will continue indefinitely. This brings the temptation to speculate in land, and such speculation is often done with borrowed money. That's what made the break in 1920 so bad. When values fell many farmers were wiped out.

Thus far, most farmers have not repeated the mistake of 1920. If they continue to keep their heads they'll be in no danger of losing their shirts.

OUR READERS WRITE . . .

THE KNAVE

The Editor, Sir:

The Knave's commentary on the recent Chamber of Commerce luncheon at the school cafeteria leads me to believe that there may be others who have received the same distorted interpretation of the facts.

It is outrageous that our Chamber of Commerce should be placed in such a false position. Those men attended the luncheon prepared to pay whatever was asked of them and it is unfortunate that Mr. Bristow forgot that there were no school funds available for such entertainment.

The "wives" did indeed make "pointed comments" but contrary to the Knave's belief they were not pointed at the Chamber of Commerce.

The indignation of these ladies seems quite justifiable when we consider that they are members of a group who have worked to raise money for the distribution of free milk and who know that the cafeteria is operated on a strict budget.

Appraised of the situation, the gentlemen naturally insisted on making repayment, actually in excess of the actual cost of the meal. They understood very well that it would be necessary to make up the deficit in some way.

The money, of course, is important to the cafeteria, but equally important is the need for making it quite clear that the Chamber is not the object of our criticism. Its record as a group active in promoting the welfare of our children speaks for itself, and it is regrettable that the handling of this affair should have placed it in the position of being a butt for the misguided wit of a journalist who must be funny at whatever cost.

Sincerely,
JESSIE COLE

NEWARK CENTER IS BENEFITTED BY $555

A staggering sum of $555.00 was cleared at the recent Newark Youth Center benefit performance and drive. Newark residents are jubilant over the amount, which will be used for improvements of the Youth Center.

Newark merchants were a hundred percent in contributing donations. These amounted to $257.50, which also included donations from merchants, individuals, and organizations of Centerville.

The benefit show, staged with such hilarious success, brought in $135 in tickets and $380 in concessions.

The sponsors of the drive are loud in their praises of those who contributed and cooperated in such a whole-hearted spirit.

Y.M.I. COUNCIL TO RECEIVE CHARTER SUNDAY, MAY 23

The charter of the newly organized Lady of Fatima Council No. 56, Young Men's Institute, Mission San Jose, will be formally presented at special ceremonies to be held Sunday, May 23, in Mission San Jose, by the Grand Council of San Francisco.

The ceremonies will begin with the 60 charter members and the visiting officials attending the 8 a.m. mass at St. Joseph's Church, where they will receive communion.

Following the mass a breakfast will be served the group in the I.D.E.S. Hall. At the conclusion of the breakfast the charter will be presented, the members initiated and the newly elected officers installed. President-elect Edw. L. Rose, Irvington, said this week that the 60 charter members represent each of the communities of Washington Township.

The local organization will meet the first and third Wednesdays of each month, and Rose said yesterday that at the next regular meeting, June 2, delegates will be selected to attend the Y.M.I. convention to be held in Stockton in July.

FLOWER SHOW WILL BE OPEN TO THE PUBLIC

A flower arrangement show, under the direction of Mrs. Thomas Power, will be held in the faculty dining-room of the local high school on Thursday afternoon, May 20, from 1 to 4 o'clock, it was announced this week by school administrators.

The show, which will feature arrangements by the adult class, is open to the public.

THOUGHTFUL HUSBANDS

Husbands are sometimes very thoughtful, and this is why these men decided that their wives should not have to cook on Mother's Day. So Mr. and Mrs. Frank Rebiejo, Mr. and Mrs. Lawrence Luevano, Cecelia and Dickie, and Mr. and Mrs. Kenny Garcia, Brenda and Kenita, all motored to Oakland to have a wonderful dinner there.

SUNDAY VISITORS

Port Chicago visitors here Sunday were Mr. and Mrs. Norman Ratliff, who visited with Mrs. Watkins and son, Clifford. Mrs. Ratliff is the former Eileen Watkins

FIFTH ANNIVERSARY

Celebrating the fifth wedding anniversary of Mr. and Mrs. Lester Mederos Saturday evening, Mr. and Mrs. Omber Biaggi and Mr. and Mrs. Earl Mederos helped them enjoy it. First of all, a lovely dinner was enjoyed, then they all visited Club Alabam where they had fun dancing, and after they left they all finished off the evening at Sandra's, where they enjoyed a wonderful floor show and dancing.

HOME FROM HAWAII

Returning from a wonderful trip from Hawaii last Monday were Mr. and Mrs. Tony Bolivia and daughter Frances, who docked at San Francisco in the morning. They came home aboard the Lurline. While in Hawaii they stayed on the Island of Mauii, with Mr. and Mrs. Freitas. They enjoyed themselves so much they hope to make the trip again some day.

REBEKAH NEWS

At the last regular meeting of Niles Rebekah Lodge No. 335 held at Odd Fellows Hall, the officers practiced for initiatory ceremonies to be held Friday evening, May 21, at the hall in Irvington. Mildred Barber, noble grand, announced her committees for that evening as follows: Iva Marble, chairman; Olive Pugmire, Elizabeth Mendenhall, Edna Hescher, Gertrude Davis and Mary Mattox. For the decoration committee she has appointed Irene Kibby and Fern Mitte. Pleasanton Rebekah Lodge No. 198 will bring several candidates that evening and the two lodges will join in the ceremonies.

Anna Bradford, recently elected district deputy president of District 53, left for Long Beach Sunday morning for the Rebekah Assembly which convenes in that city May 10 to 14. She was accompanied by Maggie Neill, Olive Pugmire and Ivy Cull, delegates to the Assembly.

Necona Theta Rho Girls Club No. 46 will meet Monday, May 17, at Odd Fellows Hall, Irvington, with Joan Pereira, president, presiding. The girls are planning a cooked food sale for Saturday morning, May 22, at Marble's Stand, Niles.

Thinking Things Over . . .

By VIVIAN BATMAN

To D. G. of Mission San Jose: It is not our practice to make comments upon editorial matter appearing in other papers unless we feel that we are thoroughly familiar with the subject under discussion. In the case you mentioned, we are not. Remember, however, that the column "Our Readers Write" is open to our readers. In that, they may air their opinions—subject, of course, to editorial deletion of anything of a slanderous nature.

THIS WE KNOW!

Speaking of making comment on editorial matter appearing in other papers, there IS something that we know a great deal about and that is the subject The Knave was so rash as to bring up in his column in the Tribune in the May 12 issue.

I had known about the matter for two weeks, but it is one of those things that I had decided to let alone. Now that The Knave has brought it up, however—and with facts so distorted that you can scarcely recognize the incident!—I feel that the matter has to be cleared up. I am writing herewith an open letter to The Knave, hoping that he too will see fit to print a retraction.

Dear Knave:

So you've done it again! How any one man could manage to concoct so many garbled versions of tales and still hold a job, is something that some day I shall have to have explained to me by Mr. Knowland himself.

I am not a member of the Niles Chamber of Commerce, and my husband is no longer president, so please don't accuse me of taking up the cudgels in their behalf for any personal reasons. But journalistic integrity (ever hear of it?) impels me to straighten you out—and the people you doubtless have led astray. So here's the story as it really happened, and—so help me—it's the truth, every word of it!

During Public Schools Week the members of the Niles Chamber of Commerce were invited by the principal of the school to have lunch at the school cafeteria.

The ladies of the P.T.A., who had recently put on a food sale to swell the cafeteria funds so that any underprivileged children could be fed gratis, settled on a sum of 75 cents per lunch for the Chamber members. The school administration was thus informed, and the P.T.A. ladies thought the matter closed.

The Chamber accepted the invitation. They were quite willing, even expecting, to pay for their lunch. And you have the effrontery Knave (and how apt the name is!) to accuse them of "gorging themselves on provender purchased from the proceeds of P.T.A. food sales."

The men enjoyed the excellent lunch, but felt a little uncomfortable about a charge not being collected, in spite of the implications you make, Knave, to the effect they were trying to get away with something for nothing!

The ladies of the P.T.A. heard about this free meal, and were highly incensed. If there's any food to be given away , they thought, why not give it to youngsters who may not be getting enough food at home?

They went to the principal, who assured them that the Board of Trustees would pay for the food, inasmuch as the ladies didn't want to have the cost borne by the cafeteria fund.

The trustees were not so keen about the idea. They hadn't been consulted, it seems, and would accept no responsibility. They were determined.

The ladies of the P.T.A. were equally determined. That free meal would be paid for by cafeteria funds only over their dead bodies!

Word got around, as it has a habit of doing in a small town, and eventually the Chamber of Commerce heard about the impasse.

They were embarrassed to think that in accepting what appeared to be an innocent invitation to a school lunch they had unwittingly become the victims of a controversy. They immediately arose to the occasion and saved the face of the school officials by offerfering to pay, not the original stipulated price of 75 cents, but a dollar each!

So the matter was finally settled—until, Knave, you decided to wake a sleeping dog and start him to barking again!

NEW OWNERS FOR NILES FOOD STORE

Mrs. Roxie Pereira and Miss Mildred Olivera have announced the purchase of the Duarte Food Store, 517 Main street, Niles, and assumed ownership today.

The name of the store will be changed to M & R Thrift Market and will continue to stock the same popular lines as in the past, the new business partners have announced.

Both of the new owners had been employed in the store for five years and are well known throughout Washington Township.

NOTICE OF HEARING PETITION FOR ANNEXATION OF TERRITORY TO NILES SANITARY DISTRICT

NOTICE IS HEREBY GIVEN that the following Petition For Annexation of Territory to Niles Sanitary District of Alameda County, California, will be presented to the Sanitary Board of said Niles Sanitary District on Monday, the 17th day of May, 1948, at the hour of 8:00 o'clock p.m. of said day at the regular meeting place of said Sanitary Board at 317 School Street, Niles, Alameda County, California, at which time and place all persons interested may appear and be heard.

PETITION FOR ANNEXATION OF TERRITORY TO NILES SANITARY DISTRICT OF ALAMEDA COUNTY, CALIFORNIA

TO THE SANITARY BOARD OF NILES SANITARY DISTRICT OF ALAMEDA COUNTY, CALIFORNIA:

CALIFORNIA NURSERY COMPANY, a corporation, respectfully requests that the necessary steps be taken to annex the contiguous territory herein described to NILES SANITARY DISTRICT OF ALAMEDA COUNTY, CALIFORNIA, pursuant to the provisions of Chapter 9, Part 1 of Division VI of the Health and Safety Code of California, and respectfully sets forth and represents:

I.

That the boundaries of the contiguous territory hereby sought to be annexed to NILES SANITARY DISTRICT OF ALAMEDA COUNTY, CALIFORNIA, are specifically designated and described as follows:

Real property in Washington Township, Alameda County, California, described as follows:

BEGINNING at the point of intersection of the Northeasterly line of the 80 foot Right-of-Way conveyed to the Western Pacific Railway Company by deed dated February 13, 1907, and recorded in the office of the County Recorder of Alameda County, California in Book 1342 of deeds at page 12 thereof, with the direct production Northerly of the Easterly line of that certain 3.52 Acre Tract of land conveyed to the Western Pacific Railway Company by deed dated June 8, 1921 and recorded in the office of the County Recorder of Alameda County, California in Book 34 of Official Records, at page 205 thereof, and running thence Southerly along said direct production and along the Easterly boundary line of said 3.52 Acre Tract to the center line of Alameda Creek (being the Northern line of Union Sanitary District of Alameda County, California); thence Easterly and Southerly along the center line of Alameda Creek (being the Northern line of Union Sanitary District of Alameda County, California) following the meanders thereof to an intersection with the Northerly line of Ex-Mission Survey No. 83; thence Easterly and Southeasterly along the Northerly line of Ex-Mission Survey No. 83 (being the Northern line of Union Sanitary District) to an intersection with the Easterly boundary line of that certain 463.38 acre tract of land conveyed to the California Nursery Company by deed dated August 23, 1900 and recorded in the office of the County Recorder of Alameda County in Book 747 of deeds at page 85 thereof; thence Northerly along the Easterly line of said 463.38 acre tract to an intersection with the Northeasterly line of the aforesaid 80 foot Right-of-Way of the Western Pacific Railway Company; thence Northwesterly along the Northeasterly line of said Right-of-Way to the point of beginning.

II.

That your petitioner is the owner of all the real property in said territory proposed to be annexed, except the portion included within the 80 foot Right-of-Way of the Western Pacific Railway Company; that the real property owned by petitioner represents more than seventy-five percent of the total assessed valuation of the territory proposed to be annexed, as shown by the last Equalized Assessment Roll of Alameda County, California; that said territory above described is wholly in Alameda County, California, is not in any other sanitary district, and is contiguous to said Niles Sanitary District of Alameda County, California.

III.

That the total assessed valuation of the territory hereinabove described, as shown by the last Equalized Assessment Roll of said County of Alameda, is the sum of $2057.00; that the assessed valuation of the real property owned by the undersigned in the territory hereinabove described, as shown by the last Equalized Assessment Roll of said County of Alameda, is the sum of $2057.00.

WHEREFORE, the undersigned asks that the necessary steps be taken to annex the territory herein described to NILES SANITARY DISTRICT OF ALAMEDA COUNTY, CALIFORNIA, pursuant to the provisions of Chapter 9 of Part 1 of Division VI of the Health and Safety Code of California.

Buffet Supper for Faculty Members

Members of the Faculty Wives Club of Washington High and their husbands will be entertained at a buffet supper this Sunday night at the home of Mr. and Mrs. William Mette in San Jose. Mrs. Jed Oxborrow will be co-hostess for the evening. Almost 30 guests are expected to be present.

To San Francisco

Mrs. Marceline Rogers and daughter, Dorothy, of Irvington, spent Mother's Day in San Francisco at the home of her aunt, Mrs. Fred Eisenhart.

Farewell Banquet for Travelers to Italy

Mr. and Mrs. L. Ghigo of Niles hosted a large banquet recently at their home in honor of friends across the bay who are sailing for Italy. The travelers were Mr. and Mrs. P. Raviolo of San Mateo and Mr. A. Ferrari of Daly City. Forty guests were present to bid the three "bon voyage."

Localites who attended were Mr. and Mrs. F. Fantuzzi and son of Niles (Mr. Raviolo is Mrs. Fantuzzi's brother), Mr. Frank Alexandri of Niles, Mr. and Mrs. Camillo Maggiora of Niles, and Mr. V. Pardomo of Centerville. Mr. and Mrs. F. Gastaldi of San Lorenzo were also present. The remainder of the guests came from the peninsula, from Gilroy, and from San Francisco. Mr. S. Mattina of Hayward was the toastmaster for the occasion, and he expressed the sentiment of the whole group when he wished the travelers a joyous trip.

Doing the Peninsula

Sending greetings to friends in the township, via Harriet and Dwight Thornburg who visited them at their Belmont home last Sunday, were Mr. and Mrs. Homer Halsey, former residents here. The Thornburgs also stopped in to say "hello" to Mrs. Lorraine Salz of Redwood City, who also has friends on this side of the bay.

Dinner for Eight

Mr. and Mrs. Dwight Thornburg had as dinner guests last Saturday the Warren Gravestocks, the Jud Taylors, and Mr. and Mrs. Earl Mackintosh. The women had fun outbidding each other at contract, while the men played—well, whatever brand of cards men do play when they get together.

To 'Oklahoma'

Among those who enjoyed seeing a performance of "Oklahoma!" in San Jose were Mr. and Mrs. Hugh Kibby of Niles, and son, Gordon, who took in the show last Saturday night.

The cry of "Fire" brings an instant picture to your mind—your own home going up in flames and everything in it destroyed.

GARDEN FETE AT SHINN HOME TO BE GIVEN FOR PUBLIC ON MAY 22

Once again the townspeople can look forward to an annual spring event that seems almost as long-standing as spring itself. And, as with spring, the thought of its arrival is greeted with a lifting of the spirits.

On Saturday, May 22, the Toyon Branch of Children's Hospital, in the gardens of the Shinn home in Niles, will greet friends and neighbors at a benefit luncheon party that, in the past, has been one of the most highly patronized affairs of its kind held in this area.

This year a baked ham luncheon will be served from 12 noon by members of Toyon. Only those who have had one of these luncheons in preceding years know just how good these Toyon cooks are!

In addition to the luncheon, other attractions will be the home-cooked food table (always a hit!), the white elephant table (where you can pick up that knick-knack you've long wanted), and there will be children's games so that even the moppets will have fun.

Mrs. R. A. Sparrowe is general chairman.

DECOTO DISCUSSION GROUP REVIEWS NEW TRAVEL BOOK

"Come, Tell Me How You Live" by Agatha Christie was discussed by members of the Decoto Discussion Group last Wednesday afternoon when they met at the home of Mrs. Walter Avilla. The author depicts in a light and amusing style one of the many expeditions to the Near East which she has made with her famous archeologist husband, Max Mallowan. Not only does she give a humorous description of their life at the excavation scene, but includes a detailed account of the native life in Syria as it is today and as they learn from their diggings what it must have been three or four thousand years ago.

The meeting was preceded by a pot-luck luncheon served buffet style. Guests were Mrs. Dorothy Roberts, county librarian; Miss Christine Staats and Mrs. Lola Alderson, both on the library staff.

Mrs. Clifford Johnson, leader for the June meeting, has chosen "Vain Shaddow" by Hartzell Spence, as a fine example of historical fiction. The group will meet at the home of Mrs. Howard Bradbury.

FASHION SHOW AND DESSERT PARTY TO BE STAGED TONIGHT AT IRVINGTON

A fashion show and dessert card party is scheduled to be held tonight at 8 o'clock at the Irvington school, to be sponsored by St. Jude's Institute, Y.L.I.

The clothes, from "Mildred's Apparel Shop" in Centerville, will be modeled by members of the Institute.

Refreshments, in charge of the ways and means committee, will be served following the fashion show. Decorations are being done by Mabel Gomes and Dorothy Misener.

Alberta Peixoto of Hayward will be the commentator.

ROSE VIEUX INSTALLED AS B.P.W.C. HEAD IN IMPRESSIVE CEREMONY LAST MONDAY

One of the most impressive installations in the history of the club was held last Monday evening when Mrs. Rose Vieux was installed as the new president of the Business and Professional Women's Club, at a dinner meeting held in the social rooms of the Niles Congregational Church. The dinner was prepared by the Ladies' Guild.

The installing officer was Marie Campbell of San Jose, past District President.

Other new officers are as follows: vice-president, Rosaline Egan; recording secretary, Audrey Carmody; corresponding secretary, Dorothy Czerny; treasurer, Gertrude Enos; auditor, Lee Hyde; and parliamentarian, Eleanor J. Enos.

The new directors are Carmelita Berge (retiring president), Irene Henderson, Ann Mayock, Bernice Nordvik, and Leila Oliveria.

The following were appointed to head committees: program coordination, Rosaline Egan; international relations, Grace Knowles; legislation, Ann Mayock; education, Leila Oliveria; membership, Viola Dias; news service, Vivian Batman; finance, Lee Hyde; public affairs, Martha Brahmst; radio, Margaret Cozzi; music, Bernice Nordvik; emblem, Dolores Reed; health and safety, Dorothy Belshaw.

Planning to attend some of the sessions of the state convention to be held in Santa Cruz May 21, 22 and 23, are Rose Vieux and Carmelita Berge, delegates, Alternates are Gertrude Enos and Rosaline Egan.

Addition to Family

Guests at the home of Mr. and Mrs. Eph Musick are Mrs. Renzo Quilici (Beth Musick), her four-year-old son, David, and her brand new son, Stephen Lewis, who was born April 26 at O'Connor Hospital in San Jose. Mr. and Mrs. Quilici make their home in Alameda where Mr. Quilici teaches school.

Lionel Goularte Takes A Fishing Trip

Lionel Goularte, son of Mr. and Mrs. Jack Goularte, Thornton avenue, Newark, was presented with his diploma of graduation from Heald's Business College in San Jose last week.

He has completed his course in accounting and is now ready to take a position as junior accountant.

For his graduation, he took a trip south where he saw many of his buddies he met while in the service. The trip was made with a classmate of his, Bruce Spencer of San Jose, who took his car. They first drove to Los Angeles and visited with Mr. and Mrs. Henry Sanchez. From there they drove on through Arizona, New Mexico, Texas, Arkansas, Mississippi, and to Annisonton, Alabama, where they visited with Mr. and Mrs. Fred Sides. From Alabama they drove to New Orleans.

From there the trip took them to San Antonio, Texas, where they were greeted by Mr. and Mrs. F. C. Howard and family. When they arrived home they had traveled 5500 miles and had taken 400 feet of colored movie film, and had two tires blow out on the whole trip. They considered themselves pretty lucky.

Birthday Party

Jackie Haynes was the guest of honor at a party given last week by her parents, Mr. and Mrs. Ed Haynes, in celebration of her twelfth birthday. Guests included Mr. and Mrs. J. A. Semas, Mission San Jose, Mr. and Mrs. Al Peixoto, and family, Irvington, Mr. and Mrs. Tom Perreira and family, Irvington, Mr. and Mrs. Manuel Swartz, Niles, and Mrs. Azevedo, Mission San Jose, the honoree's grandmother.

Week-Ending in Irvington

Mr. and Mrs. Robert Woodward (Eleanor Enos) of La Honda were in Irvington last Saturday to attend the Promenaders Club party of which they are members. On Sunday they and a group of others including Mr. and Mrs. William Enos of Irvington, Mr. and Mrs. Paul Woodward of Niles, Mr. and Mrs. Buoyer and Mr. and Mrs. George Corriea from San Leandro, went picnicking and later in the day attended the Harry Rowell Rodeo in Dublin.

Theater Goers Attend 'Oklahoma'

Attending the Thursday evening performance of "Oklahoma!" in San Jose were Mr. and Mrs. Vernon Leal, Mr. and Mrs. Walter Roethlin, Mr. and Mrs. R. J. Wright, Mrs. Carl Christensen, Mrs. R. A. Griffin and Mrs. L. S. Williams of Irvington. Others who attended the Saturday afternoon matinee were Mr. and Mrs. Edw. L. Rose, Irvington; Mr. and Mrs. Joseph Blacow of Monterey, Mrs. Lenora Flint of Monterey, Miss Audrey Turnbow of Irvington, Irene Harvey of Irvington, Les Callahan of Mission San Jose, Mr. and Mrs. N. K. Turnbow, Mrs. M. P. Silva and son, Manuel, all of Irvington.

Guest at Bendels

Mr. Roland Bendel's brother, Colonel C. S. Bendel of San Francisco, was a luncheon and dinner guest at the Bendel home in Niles last Saturday. He had come to say his good-byes before departing, with his wife, on a six to eight weeks' jaunt in the east, where he will attend the 45th reunion anniversary of his graduating class at West Point, the same class, incidentally, of which General MacArthur is also a member.

Luncheon Honors Fiancee Of Keith Whipple

Mrs. John Whipple of Decoto was hostess at a bridal kitchen shower and luncheon last Saturday in honor of Harrie Jean Lindeman, a student at the University of California, who will become the bride of Keith Whipple of Decoto on June 27.

The bride-elect received an array of practical and ornamental gifts for her kitchen from friends and relatives who came from Palo Alto, Walnut Creek, and other bay area towns. The localites who were present included Mrs. Robert Whipple, Miss Christine Anderson, Mrs. Edith Whipple, Mrs. Herbert Harrold, and Miss Eleanor Harrold.

From New York

Visiting at the home of her parents, Mr. and Mrs. John Galvin of Niles, is Mrs. James Stanhope who arrived last week from New York. Her husband, First Lieutenant James Stanhope, was also here for a couple of days but has since gone to Texas. He will return in a couple of weeks, however, and then the couple will go back to New York. Lt. Stanhope is with the Army Air Force.

IRVINGTON P.T.A. INSTALLS OFFICERS

At a meeting of the Irvington P.T.A. held last Thursday evening at the school, Mrs. Ed Haynes was installed president of that organization succeeding Mrs. Al Peixoto.

Other officers installed by Mrs. Wayne Day, second vice-president of the organization, were: Mrs. Thomas Perreira, first vice-president; Gus Robertson, second vice-president; Mrs. Earl McIntosh, recording secretary; Mrs. Xavier Stone, corresponding secretary; Irene Harvey, treasurer; Mrs. Manuel Guardanapo, historian; Mrs. Roy Canright, auditor; and Mrs. Al Peixoto, parliamentarian. Delegates to the Phoebe Hearst Council are: Mrs. Robertson, Mrs. Elsie Rogers, Mrs. Jack Prouty, Mrs. R. Hanson, Mrs. Clark, Mrs. A. E. Alameda, Mrs. Vernon Leal, Mrs. Beech, Mrs. Sharp and Mrs. John Perry.

Following the installation ceremonies, the group visited all the classrooms of the school where the students had prepared special displays of their work.

NEW A.A.A. REPRESENTATIVE

AWARD CONTRACT FOR FAIR GROUNDS WORK

Contract for landscaping of the Alameda County Fair Grounds at Pleasanton was awarded to the California Builders Company of Oakland by the Board of Supervisors this week.

Total cost of the work is $21,349, that being the lowest of five bids received by the board. The bids were received last week, but awarding of the contract was held up pending a check made by the district attorney's office to make sure that the low bidder held the necessary licenses to perform the work.

CONCERT CAMPAIGN OPENS ON MAY 31

The membership campaign of the recently organized Washington Township Community Concert Association will be held during the week of May 31, it was announced this week by the president, Dwight Thornburg.

In this one week, Thornburg explained, everyone in the township who wishes to attend the series of at least three concerts by outstanding artists to be presented by the association next fall and winter must enroll as a member.

He emphasized that after the close of the campaign no one may obtain a membership until the following year, and that only members will be admitted to the concerts.

This is in accordance with the "organized audience" plan that assures an ample artist budget before the performers are engaged, Thornburg pointed out. In approximately 500 cities and towns in the United States and Canada, he said, such audiences are already hearing the world's leading musicians every year with no local financial risk. These communities range in population from a few thousand to metropolitan centers of several hundred thousand.

In following the plan further, he added, no single tickets will be available for any of the individual concerts.

Mrs. Roland Bendel, chairman of the campaign, is organizing teams of volunteer workers who will enroll the association members during the week of the campaign.

Launching the campaign will be a dinner on the opening evening at the Country Club when the workers will meet an organization director of Community Concert Service of New York. She will remain in the township throughout the week to assist the officials in details of the campaign.

Arrangements for the dinner are in the hands of Mrs. L. Bunting, who is planning an attractive setting for the inauguration of the township's latest civic enterprise.

At the dinner, the workers will receive materials for enrolling applicants for the association and will hear short talks by several speakers who will discuss the value of the prospective concerts to the community.

CHRISTIAN SCIENCE SERVICES

"Mortals and Immortals" is the subject of the Christian Science Lesson-Sermon for Sunday, May 16, with the Golden Text taken from I Corinthians: "As we have borne the image of the earthly, we shall also bear the image of the heavenly" (15:49).

Included in the sermon are the following citations:

Psalms: "As for me, I will behold thy face in righteousness: I shall be satisfied, when I awake, with thy likeness" (17:15).

Fossils, chief tools of the historical geologist, are the records of prehistoric life.

NEW YORK STAR AT SAN JOSE

"Lady Windermere's Fan," starring Cornelia Otis Skinner, will have one performance in the auditorium, San Jose, on Thursday night, June 3, the original New York cast of the Lewis and Young production being seen. Judith Fellows, over from London, plays the title role, and David Manners, Bramwell Fletcher, Estelle Winwood, Rex Evans, George Thirlwell and Evan Thomas are among the distinguished supporting players.

The Oscar Wilde melodrama is elaborate and lavishly staged. Sets and costumes are "spectacularly beautiful," according to the New York World-Telegram, while another critic called it "sheer theatrical magic."

Tickets for "Lady Windermere's Fan" are on sale at the Denny-Watrous boy office, San Jose auditorium.

In 1870 there were 2,750,000 sheep in California, yielding more than eleven million pounds of wool.

The national park system of the United States, Alaska and Hawaii comprises 11,062,455 acres of land.
